We are truly collaborative, and we work together within and across our schools to ensure that all our children and staff members achieve their potential. Together we work to create a full and rich curriculum offer allowing everyone to flourish - we translate our vision of excellence into our everyday practice. We are proud of our outcomes, but we aspire to achieve more than just academic excellence for our children. We also want our children to become healthy thinkers, curious explorers, caring citizens, knowledgeable participants and confident individuals.

We aim to serve our communities, and our schools make every effort to connect with families, local community groups and organisations to ensure that our children and families are nurtured, supported and provided with opportunities through our schools.

Our value of equity leads us to want the very best of every child and every staff member. The Academies for Character and Excellence believes in 'Personal Growth for All', and we are committed to tackle inequalities and overcome disadvantage and to provide bespoke opportunities for professional learning for all.

It is home to our small primary school, with 36 children across two classes, and with a reputation for being particularly welcoming, nurturing and inclusive. Our recent Ofsted recognised the behaviours and attitudes of our children as being 'outstanding' and all visitors to our school are impressed by the positive attitudes our pupils have to their learning.
