The Academies for Character and Excellence has seventeen Primary Schools and three Pre-schools making up a dynamic and innovative learning organisation.

We live our mission and return to this constantly to help guide every action. At the heart of all we do is the pursuit of excellence; we want to grow an exceptional trust, comprised of excellent schools. We are achieving this through our shared core values of collaboration, community, equity, and of course uncompromising excellence.

We are truly collaborative and we work together within, and across, our schools to ensure that all our children and members of staff achieve their potential. Together we work to create a full and rich curriculum offer allowing everyone to flourish - we translate our vision of excellence into our everyday practice. We are proud of our outcomes, but we aspire to achieve more than just academic excellence for our children. We also want our children to become healthy thinkers, curious explorers, caring citizens, knowledgeable participants and confident individuals.

We aim to serve our communities, and our schools make every effort to connect with families, local community groups and organisations to ensure that our children and families are nurtured, supported and provided with opportunities through our schools.

Our value of equity leads us to want the very best of every child and every member of staff. The Academies for Character and Excellence believes in 'Personal Growth for All' and we are committed to tackle inequalities and overcome disadvantage, and to provide bespoke opportunities for professional learning for all.

We have a vacancy within our support team for a Level 2 SEN Teaching Assistant. The position is support for a child with additional needs, although there may be occasions when the TA would support guided group work that includes a child with SEN.

- Will be required to work under the direction of the class teacher and liaise with other professionals both within and outside the school

- Responsible for working with individual pupils and small groups

- Have experience of working with children. Ideally, within a school environment
- Can inspire and motivate children and enable them to be the best that they can be
- Has the ability to encourage every child to learn and achieve and has enthusiasm, skill and desire to make a difference
- Has a passion to ensure high expectations for all ensuring that they make outstanding progress
- Can plan, prepare and promote constructive play during the lunchtime period
